THE SIGNATURE GALLERY SELECT

PRESENTS THE 2015
WINTER CATALOG

Welcome to the Second Edition of
The Signature Gallery *Select*!

Greetings & Salutations my fellow Art Enthusiasts!

Welcome once again to our latest edition of The Signature Gallery Select. I know you all love this time of year as much as we do. The long hot summer has finally come to an end and fall is in full swing with all the goodness that comes along with it. Please keep us in mind as you begin to think about gifts for loved ones. Of course there is nothing more personal than the gift of fine art!

You will notice a slightly different layout we've created here for your convenience. Instead of dividing the artwork between all three of our galleries, we've simply divided it up by artist. We represent a number of our artists who have their work at more than one of our locations and all of our people can assist you in acquiring any of the work shown here so please contact the art consultant you like to work with from any location. Besides what is shown in this book there are always new pieces coming in from our artists for you to see and there are lots of exciting events planned so make your plans now to visit.

I hope you find something you would be proud to give to someone you love but of course you deserve to treat yourself too! Make sure you call right away if you see something you like and we can hold it until you are ready. We would love to arrange for a big surprise!

See our website for more work and the latest of everything. Enjoy the weather before it gets too cold and please travel safe!

This special event is on Saturday, November 21st from 6-9 pm.
